CELEBRITY DESIGNER CHERYL KOO AT LA FASHION WEEK

I had the pleasure of attending Fashion Show presented by clothing designer, Cheryl Koo. She has designed for Meagan Good and Nicki Minaj. Through the fusion of her two passions of dance and design, Koo strives to style the world through different avenues of art.

You can find Koo's items at the Beverly Center **Traffic** store, so go purchase something now! Her style is hip, cool and unique! Check out the photos below!
